harmony of external design with existing structures, and as to location with respect to topography and finish grade elevation. No fence, wall or hedges shall be erected, placed or altered on any lot nearer to any street than the minimum building setback line. Approval shall be as provided in paragraph 17.

3. DWELLING COST, QUALITY AND SIZE: No dwelling shall be permitted on any lot at a cost of less than \$35,000.00, based upon cost levels as prevailing on the date these covenants are recorded, it being the intention and purpose of the covenants to assure that all dwellings shall be of a quality of workmanship and materials substantially the same or better than the ones which can be produced on date these covenants are recorded at the minimum cost stated herein for the minimum dwelling size. The habitable floor area immediately above the mud sill shall not be less than 1200 square feet for any dwelling, or in accordance with R-1 zoning per Town of Green River, Wyo. ordinances. All dwellings shall have a minimum of one car garage.

4. BUILDING LOCATION: No building shall be located on any lot nearer than 25 feet to the front lot line, or nearer than 25 feet to any side street line. No building shall be located nearer than 10 feet to an interior lot line, except accessory structure eaves shall not be closer than 5 feet from side lot lines on interior lots. No dwelling shall be located on any interior lot nearer than 25 feet to the rear lot line. For purpose of this covenant, eaves, steps, and open porches shall not be considered as a part of a building provided, however, that this shall not be construed to permit any portion of a building, on a lot encroach upon another lot. In the event a house is turned on a corner lot to face the side street, the setback line at the front of the lot shall be 25 feet and the setback line on the side street shall be 25 feet.

5. LOT AREA AND WIDTH: No dwelling shall be erected or placed on any lot having a width of less than 80 feet at the minimum building setback line nor shall any dwelling be erected or placed on any lot having an area of less than 8500 square feet.

6. NUISANCES: No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood.

7. TEMPORARY STRUCTURES: No structure of a temporary character, trailer, basement, tent, shack, garage, barn, or other outbuilding shall be used on any lot at any time as a residence either temporary or permanently.

8. OIL AND MINING OPERATIONS: No drilling, oil development operations, oil refining, quarrying or mining operation of any kind shall be permitted upon or in any lot, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any lot. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any lot.

9. FENCES: Yard fences, wall, or hedges may extend only from the rear of the lot to the rear of the house thereon, and there shall be no front yard fencing, walls or hedges. Corner lots must be fenced so no fencing is within 25 feet of any street.

10. LIVESTOCK AND POULTRY: No animals, livestock or poultry of any kind shall be raised, bred, or kept on any lot, except that dogs, cats, or other household pets may be kept, provided they are not kept, bred or maintained for any commercial purpose.

11. GARBAGE AND REFUSE DISPOSAL: No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall not be kept except in sanitary containers. Garbage and refuse containers may not be placed above ground nearer to the front lot line than the setback line of the dwelling, except on the scheduled garbage and refuse collection day established by the Town of Green River authorities. Covered garbage and refuse containers placed below ground level shall be permitted beyond the building setback line. All incinerators or other equipment for storage or disposal of such material shall be kept in clean and sanitary condition.

12. **SIGNS:** No signs of any kind shall be displayed to the public view on any lot, except one professional sign of not more than one square foot, one sign of not more than 5 square feet, advertising the property for sale or rent, or signs used by a builder to advertise the property during construction or sales period.

13. **WATER SUPPLY:** No individual water supply system shall be permitted on any lot unless such system is located, constructed and equipped in accordance with the requirements, standards and recommendations of the State Health Department. Approval of such system as installed shall be obtained from such authority.

14. **SEWAGE DISPOSAL:** No individual sewage disposal system shall be permitted on any lot, unless such system is designed, located and constructed in accordance with the requirements, standards and recommendations of the State Health Department. Approval of such system as installed shall be obtained from such authority.

15. **PARKING:** Parking of trailer campers, truck campers, bus campers and otherwise large vehicles such as stock truck and trailers shall be limited to a period of 72 hours, when parked on the street in front of a residence or on the front driveway or parking area between the front building line and the street.

The parking of boats and boat trailers on the street or on the driveway or on any parking area between the front building line of a residence and the street shall be of a temporary nature and not to be left parked in such a location for storage from one season to another or while not in seasonal use.

Vehicles which are not in running condition or are in a state of disrepair shall not be parked on the street in front of a residence or on the front driveway or on any parking area between the front building line of the residence and the street for a period of more than 24 hours at any one time or as a repeated matter of practice.

Vehicles of size larger than the now standard American manufactured motor car, vehicles the primary use of which is other than the transportation of passengers; not for hire, vehicles intended to be used primarily for sport, commerce or industry, such as trucks, campers, boats and boat trailers, tractors, and trailers shall not be parked on the streets or any of the front portions (within 40 feet of the street right-of-way) of any lot or lots for a continuous period of more than 48 hours. The foregoing enumeration of certain specific vehicle types is not intended to be exclusive, but only illustrative.

16. **EASEMENTS:** Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat and over the rear five feet of each lot. Within these easements, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities, or which may change the direction of flow of drainage channels in the easements, or which may obstruct or retard the flow of water through drainage channels in the easements. The easement area of each lot and improvements in it shall be maintained continuously by the owner of the lot, except for those improvements for which a public authority or utility company is responsible.

17. **MEMBERSHIP:** The architectural control committee is composed of Eldon D. Collier and Mildred H. Collier of Green River, Wyoming. A majority of the committee may designate a representative to act for it. In the event of death or resignation of any member of the committee, the remaining members shall have full authority to designate a successor. Neither the members of the committee, nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. At any time, the then record owners of a majority of the lots shall have the power through a duly recorded written instrument to change the membership of the committee or to withdraw from the committee or restore it to any of its powers and duties.

18. PROCEDURE: The committee's approval or disapproval of required in these covenants shall be in writing. In the event the committee, or its designated representative, fails to approve or disapprove within 90 days after plans and specifications have been submitted to it, or in any event, if no suit to enjoin the construction has been commenced prior to the completion thereof, approval will not be required and the related covenants shall be deemed to have been fully complied with. The failure of such representative to approve or disapprove any proposed builder from his legal responsibility to comply with the covenants, conditions, and restrictions contained herein.

19. TERM: These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of forty years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of 10 years unless an instrument signed by a majority of the then owners of the lots has been recorded, agreeing to change said covenants in whole or in part.

20. ENFORCEMENT: Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant either to restrain violation or to recover damages.

21. SEVERABILITY: Invalidation of any one of these covenants by judgment or court order shall in no way affect any of the other provisions which shall remain in full force and effect.

Signed at Green River, Wyoming this 13th day of July 1977.
